No T-shirt can do it all. Which is why we like to keep a few great ones on hand to cover our bases. Read on for our editors' top picks (they range from shrunken to slouchy, solid to striped), plus the [denim](#) and accessories to wear them with.

"At the start of 2023, I made it my mission to identify the staples I reach for most often and

refresh them. I'm constantly in a tee, whether it's skimming the top of baggy jeans, tucked into trousers, or paired with sweats at home. I love this one because of the dainty pointelle knit and the baby-blue color—elements that make it feel a touch more considered than plain white."

"A classic striped tee is a staple in my closet—always has been, always will be. This one is chic yet effortless. I like to roll up the sleeves for a cute casual look. I wear it to the office, to the beach, and everywhere in between. I love the white stitching around the neckline and the side slits (they're perfect for tucking)."

never loses its structure. I buy a size small for when I want a clean look tucked into denim or wide-leg trousers and a medium for when I want that oversize, effortless, just-ran out-of-the-house-but-still-polished look. Also, you can't beat the price. I buy them in loads of colors."

"For a long time, I only did oversize tees. But my new uniform is a baby tee with high-waisted jeans—feels classic, easy, put-together. And I'm really having a moment with pointelle knit right now. This tee is made from 100 percent organic cotton, with a slim—but not too tight—fit."

"I'm in my big-pants, chunky-shoes era. So most of the time, I opt for a little top to keep the look balanced. This one is the perfect length for tucking (or not tucking), and it skims the body but still looks relaxed. It's all cotton and so soft, too."

“Thanks to my black turtlenecks, my husband jokingly accuses me of dressing like Steve Jobs—or Elizabeth Holmes, if you prefer—far too often. So, with spring in full swing, it’s probably time I transition to my other beloved closet staple: stripes. This tee still has a high neck, but it’s a bit more playful with the oversize fit and patch logo. And the keyhole in back is the perfect finishing touch.”
